Bridgepoint Advisers Group Limited
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

Bridgepoint Advisers Group Limited

Strategic Report for the Year Ended 31 December 2023

The Directors present their strategic report for the year ended 31 December 2023.

Principal activity

The principal activity of the Bridgepoint Advisers Group Limited (the "Company") is to act as a holding company for the Bridgepoint group of companies ("Bridgepoint Group" or "Group"). There have not been any significant changes in the Company's principal activities during the year under review.

Results

The loss for the financial year is £39,000 (2022: gain of £206,000) and at the year end the Company has net assets of £3,510,000 (2022: £3,549,000).

Principal risks and uncertainties

The Company's main income is generated from distributions from its subsidiaries who generate income through management of funds. The business is subject to risks associated with the performance of the funds managed by the Group and also the tax and regulatory regimes within which its business operates.

Investment performance

The Company may experience poor investment performance of subsidiary undertakings and of the funds managed by the Group due to the failure of strategies implemented in managing the portfolio of assets. This would impact dividend income and the impairment of subsidiaries. In order to minimise the impact of poor investment performance, the Group has in place a robust and disciplined investment process where investments are analysed and selected by the Group's Operating Committees and Investment Advisory Committees. Portfolio Management and Portfolio Review Committees regularly monitor investment performance and delivery of investment objectives. Investment processes not only evaluate and mitigate the risks inherent in particular investments or divestments, but also ensure that all investment decisions are taken in accordance with the relevant fund's investment strategy.

Regulatory risk

As the Group has corporate and fund entities located in multiple jurisdictions and a diverse investor base, it is subject to a wide range of laws and regulations and supervised by a number of regulators. Failure to comply with these professional conduct rules, laws and regulations may put the Group at risk of fines, lawsuits or reputational damage. The Group has dedicated Legal and Compliance functions that provide guidance to the business on its regulatory and legal obligations. These functions monitor regulatory and legislative changes in the jurisdictions in which the Group operate and interact with regulators and industry bodies to stay informed of regulatory changes.

Loss of key personnel

The Company relies on the expertise and knowledge of investment executives of the Group. Unexpected loss of one or more key employees could adversely affect the Company's business. The Group has competitive incentive schemes designed to attract and retain its people and is committed to providing competitive remuneration packages.

Technology risk

The Group relies on the secure processing, storage and transmission of confidential and other information in its computer systems and networks. Cyber-security incidents and cyber-attacks have been occurring globally at a more frequent and severe level and will likely continue to increase in frequency in the future. Cyber-security failures, technology failures or data security breaches could result in the confidentiality, integrity or availability of data being negatively affected, causing disruption or damage to us. The Group has in place an internal vulnerability management programme, as well as critical asset processes to patch critical vulnerabilities.

Credit and liquidity risk

Credit risk is the risk of financial loss to the Company as a result of a counterparty failing to meet its contractual obligations. This risk is principally in connection with the Company's receivables from group undertakings. The Directors consider the Company's credit exposure to trade and other receivables to be low. The Company's credit exposure to the Group entities is linked to the liquidity risk of the Group.

Bridgepoint Advisers Group Limited

Strategic Report for the Year Ended 31 December 2023

Key performance indicators

The Company considers performance of subsidiary undertakings and profit before tax as the key performance indicators of the business. Given the straightforward nature of the business, the Directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance, or position of the business.

Statement by the Directors in performance of their statutory duties in accordance with s172(1)

The Directors of the Company, as those of all UK companies, must act in accordance with a set of general duties, which are detailed in Section 172 of the UK Companies Act 2006.

A Director of a company must act in the way they consider, in good faith, would be most likely to promote the success of the company for the benefit of its shareholders as a whole and, in doing so have regard (among other matters) to:

- the likely consequences of any decision in the long-term;
- the interest of the Company's employees;
- the need to foster the Company's relationships with suppliers, customers and others;
- the impact of the Company's operations on the community and environment;
- the desirability of the Company maintaining a reputation for high standards of business conduct; and
- the need to act fairly as between shareholders of the Company.

The parent entity, Bridgepoint Group plc, has a Group Board (consisting of the Directors of Bridgepoint Group plc) which takes executive responsibility for the strategic direction of all Bridgepoint entities including the Company. It has executive responsibility for setting the Group's strategy and ensuring that the shared values and business objectives are upheld and met.

The Directors of the Company are involved in decisions that impact the Company as required under the Companies Act 2006. Such matters include making commitments to investments and subsidiary companies and a decision to pay a dividend.

An explanation of how the Group Board has considered the matters set out in Section 172 (for the Group, and including the Company) is set out in the annual report and accounts of Bridgepoint Group plc. This includes details of the development, performance and position of the Group, as well as how the Group undertakes business conduct, employee and fund investor engagement, risk management and community engagement.

Bridgepoint Advisers Group Limited

Directors' Report for the Year Ended 31 December 2023

The Directors present their annual report together with the audited financial statements (the "financial statements") of the Company for the year ended 31 December 2023.

Results and dividends

The results for the financial year are shown on page 8.

No dividend was proposed by the Directors for the year ended 31 December 2023 (2022: nil).

Future developments

The Directors do not anticipate any significant change in the business of the Company.

Directors of the Company

The Directors who held office during the year and up to the date of this report were as follows:

W N Jackson (resigned 20 December 2023)
J R Hughes
A M Jones
R C Thompson
P Koziarski (appointed 20 December 2023)
D S Plant (appointed 20 December 2023)

Directors' indemnity

During the year and at the time of signing, a Bridgepoint Group entity maintains liability insurance for Directors and Officers of the Bridgepoint Group, and associated companies, which includes the Company. This is a qualifying third party indemnity provision for the purpose of the Companies Act 2006.

Statement of Directors' Responsibilities

The Directors acknowledge their responsibilities for preparing the annual report and financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial risk management

In the normal course of business, financial instruments are used for the purpose of managing exposures to foreign exchange and interest rate movements. The Company's operations expose it to market, credit and liquidity risk. Further information is included in note 14 to the financial statements.

Bridgepoint Advisers Group Limited

Directors' Report for the Year Ended 31 December 2023

Statement of engagement with suppliers, customers and others in a business relationship with the company

From the perspective of the Directors of the Company, as a result of the Group's governance structure, the Group Board has taken the lead in carrying out the duties of the Company in respect of its shareholders, employees, fund investors and community engagement. An explanation of how the Group Board has carried out these responsibilities (for the Group and for the Company) is set out in the annual report and accounts of Bridgepoint Group plc.

Post balance sheet events

There were no material events after the reporting period that would require adjusting or disclosing within these accounts.

Disclosure of information to the auditor

Each Director at the time when the Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information needed by the Company's auditor in connection with preparing their report of which the Company's auditor is unaware; and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Appointment of auditor

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and Forvis Mazars LLP will therefore continue in office.

Independent auditor's report to the members of Bridgepoint Advisers Group Limited

Opinion

We have audited the financial statements of Bridgepoint Advisers Group Limited (the 'Company') for the year ended 31 December 2023 which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2023 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report and Financial Statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Bridgepoint Advisers Group Limited

Independent auditor's report to the members of Bridgepoint Advisers Group Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the Company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: tax legislation, the UK Bribery Act and anti-money laundering regulation.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

Bridgepoint Advisers Group Limited

Independent auditor's report to the members of Bridgepoint Advisers Group Limited (continued)

- inquiring of management and, where appropriate, those charged with governance, as to whether the Company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the Company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to manipulating accounting records, preparing fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, there is a risk of material misstatement due to fraud on all audits.

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body for our audit work, for this report, or for the opinions we have formed.

Bridgepoint Advisers Group Limited

Notes to the Financial Statements for the Year Ended 31 December 2023

1 General information

The Company is a private company limited by shares domiciled in the United Kingdom. The Company is incorporated in England and Wales. The address of its registered office and principal place of business is 5 Marble Arch, London, W1H 7EJ.

2 Statement of compliance

The individual financial statements of the Company have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland" ("FRS 102") and the Companies Act 2006.

3 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These financial statements have been prepared under the historical cost convention, as modified by certain financial assets and liabilities measured at fair value through profit or loss, when it is required by FRS 102.

(b) Consolidation

Under section 400 of the Companies Act 2006, the Company is exempt from the requirement to prepare consolidated accounts as it is itself a subsidiary undertaking and it is a wholly-owned subsidiary of Bridgepoint Group plc, a company incorporated within the United Kingdom, which prepares consolidated accounts that include the Company and its subsidiaries.

(c) Going concern

The Directors are required to assess and confirm the appropriateness of the going concern assumption as the basis of preparation. Whilst the Company has net current liabilities this largely consists of intercompany payables and furthermore the Company is well capitalised and is able to draw upon access to cash resources and loan facilities within the Group should it require liquidity.

As the Company does not operate as a standalone entity but contributes to the performance of the Group to which it belongs, which is headed by Bridgepoint Group plc, it is appropriate to consider the going concern of the Company with reference to the Group's viability and performance. The assessment for the Company has been performed for a period of at least 12 months from the date of the approval of Company's financial statements. This assessment considered a wide range of information including the Company's business and operating models and strategy, the risk appetite and details of the approach to managing risk and a summary of the current financial position and resources. The conclusion of this assessment is that the Company is a going concern.

Bridgepoint Advisers Group Limited

Notes to the Financial Statements for the Year Ended 31 December 2023

3 Summary of significant accounting policies (continued)

(d) Exemption under Financial Reporting Standards

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of the exemptions by the Company's shareholders. The Company has taken advantage of the following exemptions:

Cash Flow Statement - The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12 (b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Bridgepoint Group plc, includes the Company's cash flows in their own consolidated financial statements.

Related Party Transactions - The Company has taken advantage of the exemption, under FRS 102 paragraph 33.1.A, from the requirement to disclose related party transactions within the Group on the grounds that 100% of the voting rights are controlled within the Group. Transactions with the shareholders of the Group are not exempt and are disclosed where applicable.

(e) Revenue recognition

Income is recognised in the Profit and Loss Account and the Statement of Comprehensive Income on an accruals basis.

Income from shares in Group undertakings comprises dividend income. Dividend income is recognised in the Company's Profit and Loss account on the date on which the Company's right to receive payment is established.

All revenues are generated within the UK.

(f) Expenses

Expenses incurred have been recognised on an accruals basis.

(g) Taxation

Taxation expense for the period comprises current and deferred tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior year. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the period end.

Deferred tax arises from timing differences that are differences between taxable profits and total comprehensive income as stated in the financial statements. These timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is recognised on all timing differences at the reporting date except for certain exceptions.

Bridgepoint Advisers Group Limited

Notes to the Financial Statements for the Year Ended 31 December 2023

3 Summary of significant accounting policies (continued)

(g) Taxation (continued)

Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Deferred tax assets and liabilities are not discounted.

(h) Foreign currency transactions and balances

The Company's functional and presentation currency is the pound sterling. These financial statements are presented in pound sterling and rounded to thousands.

Foreign currency transactions are translated into the functional currency using the opening spot exchange rate for the month in which the transaction occurs as an approximation for the actual rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to sterling using the closing rate at the year-end. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign currency gains and losses are recognised in the Profit and Loss Account.

(i) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and call deposits, held at call with banks with an original maturity of three months or less.

(j) Debtors

Short term debtors are measured at the transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment, except where repayable on demand. The fair value of balances repayable on demand is discounted from the earliest date it can be demanded.

(k) Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, except where repayable on demand. The fair value of balances repayable on demand is discounted from the earliest date it can be demanded.

(l) Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Bridgepoint Advisers Group Limited

Notes to the Financial Statements for the Year Ended 31 December 2023

3 Summary of significant accounting policies (continued)

(1) Financial instruments (continued)

Investments in subsidiary undertakings

Investments in subsidiary undertakings, that are not investment vehicles, are stated at cost less provision for any impairment. Provisions are only made where in the opinion of the Directors there is an impairment in value.

4 Judgements in applying accounting policies and key sources of estimation uncertainty

In applying the Company's accounting policies, the Directors may be required to make judgements, estimates and assumptions that could impact the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. The Directors' judgements, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made, and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgements, estimates and assumptions, the actual results and outcomes may differ. Critical estimates are discussed further below.

The judgements, estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if, the revision affects only that year, the year of the revision and future years, or if the revision affects both current and future years. The Directors consider the below estimates in the preparation of the financial statements.

5 Operating profit

Arrived at after charging/ (crediting):

	2023	2022
	£ 000	£ 000
Foreign exchange losses/(gains)	84	(207)

Auditors remuneration paid to Forvis Mazars for the audit of the Company is £15,178 (2022: £14,620 borne by a fellow subsidiary undertaking).

There were no fees payable to the Company's auditor for 'Other services' (2022: nil).

6 Employees

The Company did not employ any personnel during the year (2022: none).

7 Directors' remuneration

None of the Directors received any remuneration directly from the Company during the year (2022: nil).

Remuneration received by individual Directors who are employed and paid by another Group entity cannot be sensibly attributed across the entities for which each Director is a Director of.

Bridgepoint Advisers Group Limited

Notes to the Financial Statements for the Year Ended 31 December 2023

14 Financial risk management

Market risk

Market risk is the potential for changes in value of the underlying financial instruments and accompanies the potential for both losses and gains. The Company's unquoted investments are susceptible to market risk arising from uncertainties about future values of the fund investments that are managed by the Group. The Company's subsidiaries manages the acquisition and divestment of private equity investments and monitors the performance of investments held by the Company on an ongoing basis.

Credit risk

Credit risk is the risk that a counterparty will be unable to meet their obligations in full, when due. Potential areas of credit risk consist of cash and cash equivalents, including deposits with banks and financial institutions, short-term receivables and investments. The maximum exposure to credit risk at the reporting date of these financial assets is their carrying amount. The Company limits its exposure in relation to cash balances by only dealing with well-established financial institutions of high quality credit standing.

Liquidity risk

Liquidity risk is the risk that cash may not be available to pay obligations when due. The risk is not considered to be material as the majority of the balances are held with other Group companies.
