NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2006

1 Accounting policies

Accounting convention

The accounts are prepared under the historical cost convention.

Turnover

Turnover represents amounts receivable for services stated net of value added tax.

Depreciation

Tangible assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	33.3% straight line
Fixtures, fittings and equipment	25% straight line

Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Pensions

The company operates a defined contribution scheme. Contributions payable are charged to the profit and loss account in the year they are payable.

Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance is not discounted.

2 Turnover

The turnover and operating profit for the year was derived from the company's principal activity.

The geographical analysis of turnover is as follows:
