Directors' responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent,
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Exemption Statement

This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF ALPHA FINANCIAL MARKETS CONSULTING LIMITED

We have audited the accounts of Alpha Financial Markets Consulting Limited for the year ended 31 March 2007 which comprise the profit and loss account, the balance sheet and the related notes. These accounts have been prepared under the accounting policies set out therein and the requirements of the Financial Reporting Standard for Smaller Entities (effective January 2005).

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

As described in the statement of directors' responsibilities the company's directors are responsible for the preparation of the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether, in our opinion, the directors' report is consistent with the accounts, if the company has not kept proper accounting records or if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. However, the evidence available to us was limited because the accounts of the company for the year ended 31 March 2006 were unaudited. There were no other satisfactory audit procedures that we could adopt to confirm that comparative figures are correctly stated. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts. Our opinion is not qualified in this respect.

We have undertaken the audit in accordance with the requirements of APB Ethical Standards including APB Ethical Standard - Provisions Available for Small Entities, in the circumstances set out in the notes to the accounts.

ALPHA FINANCIAL MARKETS CONSULTING LIMITED

INDEPENDENT AUDITORS' REPORT (CONTINUED) TO THE SHAREHOLDERS OF ALPHA FINANCIAL MARKETS CONSULTING LIMITED

Qualified opinion - limitation of audit scope

Except for any adjustments that might have been found to be necessary had we been able to obtain sufficient evidence concerning comparative figures, in our opinion the accounts give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities, of the state of the company's affairs as at 31 March 2007 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985. The information given in the directors' report is consistent with the accounts.
