## **Directors' report**

The directors present their report and the audited financial statements for the year ended 31 March 2017.

### **Principal activities and review of the business**

The principal activity of the company continued to be that of a holding company.

### **Results and dividends**

The results of the company for the year are set out on page 5.

There were no dividends paid out during the year (2016: £nil). The directors do not recommend payment of a final dividend (2016: £nil).

After deducting taxation and dividends, the amount of £5,000 has been transferred from reserves (2016: £34,000).

### **Directors**

The following directors have held office during the period and to the date of this report.

Mr N Baker  
Mr B Lantorp  
Mr E Fraser  
Mr N Curham  
Mr G Tomlinson (resigned 29 September 2016)

### **Political Contributions**

The Company has made no political donations or incurred any political expenditure during the year.

### **Statement of disclosure to the auditor**

So far as the directors are aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

### **Auditor**

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

By order of the board

**Mr E Fraser**  
*Director*

60 Gresham Street  
London  
EC2V 7BB

Date: 10 November 2017

## **Statement of directors' responsibilities in respect of the annual report and the financial statements**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **Independent auditor's report to the members of Alpha Financial Markets Consulting Group Limited**

We have audited the financial statements of Alpha Financial Markets Consulting Group Limited for the year ended 31 March 2017 set out on pages 5 to 15. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at [www.frc.org.uk/auditscopeukprivate](http://www.frc.org.uk/auditscopeukprivate).

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its loss for the period then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Directors' report:

- we have not identified material misstatements in that report; and
- in our opinion, that report has been prepared in accordance with the Companies Act 2006.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit and;
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

**Mark Flanagan** (Senior Statutory Auditor)

Dated: 10 November 2017

**Statement of income and retained earnings**  
*for year ended 31 March 2017*

|                                                                       | <i>Note</i> | <b>2017<br/>£000</b> | <b>2016<br/>£000</b> |
|-----------------------------------------------------------------------|-------------|----------------------|----------------------|
| Administrative expenses                                               | 2           | (5)                  | (34)                 |
| <b>Operating loss and loss on ordinary activities before taxation</b> |             | <b>(5)</b>           | <b>(34)</b>          |
| Tax on loss on ordinary activities                                    | 5           | -                    | -                    |
| <b>Loss for the financial year</b>                                    |             | <b>(5)</b>           | <b>(34)</b>          |
| Retained earnings at the start of the financial year                  |             | 8,215                | 8,249                |
| Dividends declared and paid                                           |             | -                    | -                    |
| <b>Retained earnings at the end of the financial year</b>             |             | <b>8,210</b>         | <b>8,215</b>         |

In both the current and preceding year, the company made no material acquisitions and had no discontinued operations.

There were no recognised gains or losses in either the current or preceding year other than those disclosed in the profit and loss account, and therefore no separate statement of other comprehensive income has been presented.

The attached notes form part of these financial statements.

These financial statements were approved by the board of directors on 10 November 2017 and were signed on its behalf by:

**Mr E Fraser**  
*Director*

Company registered number: 07160664

The attached notes form part of these financial statements.

## Notes

(forming part of the financial statements)

### 1 Accounting policies

Alpha Financial Markets Consulting Group Limited (the "Company") is a company limited by shares and incorporated and domiciled in the UK. The registered number is 07160664 and the registered address is 60 Gresham Street, London, EC2V 7BB.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("*FRS 102*") as issued in August 2014. The amendments to FRS 102 issued in July 2015 and effective immediately have been applied. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The Company's parent undertaking, Alpha FMC Topco Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of Alpha FMC Topco Limited are available to the public and may be obtained from 60 Gresham Street, London, EC2V 7BB. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the consolidated financial statements of Alpha FMC Topco Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 *Basic Financial Instruments* and FRS 102.12 *Other Financial Instrument Issues* in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 102 in its next financial statements.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 14.

#### 1.1. Measurement convention

The financial statements are prepared on the historical cost basis.

#### 1.2. Going concern

The financial statements have been prepared on a going concern basis. The Company is a member of the Alpha FMC Group Holdings Limited group and is supported by the trading subsidiaries. The Group's forecasts and projections, taking into account reasonably possible changes in trading performance, show that the Group should be able to operate with its currently available facilities. As a consequence the Directors have a reasonable expectation that the Company is well placed to manage their business risks and to continue in operational existence for the foreseeable future. Accordingly, the Directors continue to adopt the going concern basis in preparing these financial statements.

## Notes (continued)

### 1 Accounting policies (continued)

#### 1.3. Foreign currency

Transactions in foreign currencies are translated to the Company's functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

#### 1.4. Classification of financial instruments issued by the Company

In accordance with FRS 102.22, financial instruments issued by the Company are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the company; and
- (b) where the instrument will or may be settled in the company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the company's own equity instruments or is a derivative that will be settled by the company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

#### 1.5. Basic financial instruments

##### *Trade and other debtors / creditors*

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

##### *Interest-bearing borrowings classified as basic financial instruments*

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

##### *Investments in subsidiaries*

These are separate financial statements of the company. Investments in subsidiaries are carried at cost less impairment.

#### 1.6. Goodwill

Goodwill is stated at cost less any accumulated amortisation and accumulated impairment losses.

Goodwill is amortised on a straight line basis over its useful life. Goodwill has no residual value. The finite useful life of goodwill is estimated to be 20 years.

The company reviews the amortisation period and method when events and circumstances indicate that the useful life may have changed since the last reporting date.

Goodwill is tested for impairment in accordance with Section 27 Impairment of assets when there is an indication that it may be impaired.

## Notes (continued)

### 1 Accounting policies (continued)

#### 1.7. Impairment

##### *Financial assets (including trade and other debtors)*

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

##### *Non-financial assets*

The carrying amounts of the Company's non-financial assets, other than deferred tax asset, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to the units, and then to reduce the carrying amounts of the other assets in the unit (group of units) on a *pro rata* basis.

An impairment loss is reversed if and only if the reasons for the impairment have ceased to apply.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

## **Notes** *(continued)*

### **1 Accounting policies** *(continued)*

#### **1.8. Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense. Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

### **2 Auditor's remuneration**

*Auditor's remuneration:*

|                                     | 2017<br>£000 | 2016<br>£000 |
|-------------------------------------|--------------|--------------|
| Audit of these financial statements | 2            | 2            |

Amounts receivable by the Company's auditor and its associates in respect of services to the Company and its associates, other than the audit of the Company's financial statements, have not been disclosed as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the Company's parent, Alpha FMC Topco Limited.

### **3 Staff numbers and costs**

The Company has no employees.

### **4 Directors' remuneration**

Directors of the Company are paid out of other entities within the group. The Directors believe the value of the services performed in respect of the Company are negligible and therefore have not been disclosed.

## Notes (continued)

Reductions in the UK corporation tax rate to 19% (effective from 1 April 2017) and to 18% (effective 1 April 2020) were substantively enacted on 26 October 2015, and an additional reduction to 17% (effective from 1 April 2020) was substantively enacted on 6 September 2016. This will reduce the company's future tax charge accordingly. The deferred tax assets and liabilities at 31 March 2017 have been calculated based on the rates substantively enacted at the balance sheet date.

| At 31 March 2016                   | 638         |
|                                    | <hr/>       |

In a prior year the trade and net assets of a subsidiary undertaking were transferred to the company at their book value which was equal to their fair value. The cost of the company's investment in that subsidiary undertaking reflected the underlying fair value of its net assets and goodwill at the time of acquisition. As a result of this transfer, the value of the company's investment in that subsidiary undertaking fell below the amount at which it was stated in the company's accounting records. Schedule 1 to the Companies Act 2006 The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (SI 2008 No. 410) requires that the investment be written down accordingly and that the amount be charged as a loss in the company's profit and loss account. However, the directors consider that, as there has been no overall loss to the company, it would fail to give a true and fair view to charge that diminution to the company's profit and loss account for the year and it should instead be re-allocated to goodwill and the identifiable net assets transferred, so as to recognise in the company's individual balance sheet the effective cost to the company of those net assets and goodwill.

The effect of this departure was to increase the goodwill in the holding company's balance sheet by £784,000.

#### *Amortisation and impairment charge*

The amortisation charge is recognised as administrative expenses in the profit and loss account.
