Class of share	Preference	
Prescribed particulars	If, on any Redemption Date, the Company is prohibited from redeeming some or all of the Relevant Preference Shares then due to be redeemed, the Company shall redeem such number of Relevant Preference Shares as it is lawfully able to redeem. If there is more than one holder whose preference shares are due to be redeemed, those Relevant Preference Shares shall be redeemed in proportion as nearly as possible to their existing holdings of preference shares and the Company shall redeem the balance of those shares as soon as practicable. For so long as the Company is prohibited from redeeming Relevant Preference Shares, and some or all of the Relevant Preference Shares have not been redeemed, the Premium thereon (other than in respect of any preference shares to which the definition of Preference Share Leaver Date (as defined in the Company's articles) apply) shall continue to accrue down to and including the date on which such shares are actually redeemed. If the Company fails to make any partial redemption of Relevant Preference Shares, then subsequent redemptions of preference shares shall be deemed to be of those preference shares that first became due for redemption.
