Bankside Financial Solutions Consulting Limited

Strategic Report for the Year Ended 31 August 2023

The directors present their strategic report for the year ended 31 August 2023.

Principal activity

The principal activity of the group is placing contractors and supporting business activities.

Fair review of the business

The principal activities of the Group are the supply of consultancy resources and project management services, primarily to the financial services, asset management and security services sectors. The Group's revenue is generated through the sale of consultancy and project support services to these industries and supplying workers on long term contracts to support our clients in implementing and completing those projects. In the year ended 31st August 2023, the Group also saw success in the insurance sector and is actively targeting growth in this industry.

In addition, the Group is actively working and collaborating with aligned organisations in the consultancy and project management sector to enable the delivery of "out of the box" services, which aim to shorten project timelines, reduce delivery risk and give more certainty to both current and prospective clients. To achieve this, the Group has been developing in house software with the aim to roll this out in the near future. Although still in the early stages of development, the concept has had positive feedback from clients and partners.

The Group has continued to maintain its healthy growth and has seen turnover increase by 58.50% for the year ended 31st August 2023 to £17,011,413 (£10,734,887 for the year ended 31st August 2022). The Group has also focussed on diversifying this growth during the year and key management, who have been working on bringing in new clients and managing those relationships, became shareholders.

The Group had a net asset position of £13,649.00 as at 31st August 2023. After accounting for accruals, the main liability of the Group was its VAT liability of £784,345. This liability was covered at year end with the Company's combined bank asset of £999,709 at the end of the current period. The Directors are confident in the Group's ability to cover its short term liabilities for the foreseeable future.

The Group's directors have worked hard during 2024 to deepen their relationships with aligned organisations in the sector and are confident that the Group will see growth through its partnerships. The Group will also continue to diversify into the insurance sector where there is strong appetite for our services. The Group believes that this will be an area of strong growth in 2024 and 2025.

Principal risks and uncertainties

Despite a challenging market and large reduction in staff at one of the Company's principle clients at the end of 2023, the business was able to redeploy those staff to other clients. The Company has focused on diversifying its business during the year to reduce the exposure to key clients and minimise this risk.

The Company does not believe the Company is exposed to known risks. Uncertainties from the economy climate have slowed asset manager trading, however it is believed they will continue to invest in automation to gain efficiencies and reduce their operating costs. This will help to maintain the Company's business success.

Director

Bankside Financial Solutions Consulting Limited

Directors' Report for the Year Ended 31 August 2023

The directors present their report and the consolidated financial statements for the year ended 31 August 2023.

Directors of the group

The directors who held office during the year were as follows:

Robert Surridge

Paul Cardosi

The following directors were appointed after the year end:

John Campbell Paton (appointed 5 September 2024)

Greg Alan Cook (appointed 5 September 2024)

Christopher Peter Kroeger (appointed 5 September 2024)

Corporate governance

Having appointed a CFO in 2023 the Group continues to strengthen its corporate governance by implementing a leadership and management team in 2024. This new team allows us to diversify our values and inputs as well as strengthen our ability to support our employees with better policies and practices. Importantly dedicated site managers have been appointed at each client site to ensure staff are well supported and aligned to the clients' expectations.

This will continue in 2025 when we seek to create employee fora and communities of practice.

Environmental matters

The Group continues to operate in an extremely green and carbon efficient manner, we maintain our policy of not operating a company office, ensuring that all employees are located on client sites. We have migrated onto a Microsoft cloud-based infrastructure in 2024 to help reduce our carbon footprint and ensure that we operate as cleanly as possible.

Disclosure of information to the auditor

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

Bankside Financial Solutions Consulting Limited

Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and the company's transactions and disclose with reasonable accuracy at any time the financial position of the group and the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Bankside Financial Solutions Consulting Limited

Independent Auditor's Report to the Members of Bankside Financial Solutions Consulting Limited

Opinion

We have audited the financial statements of Bankside Financial Solutions Consulting Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 August 2023, which comprise the Consolidated Profit and Loss Account, Consolidated Statement of Comprehensive Income, Consolidated Balance Sheet, Balance Sheet, Consolidated Statement of Changes in Equity, Statement of Changes in Equity, Consolidated Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent company's affairs as at 31 August 2023 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Bankside Financial Solutions Consulting Limited

Independent Auditor's Report to the Members of Bankside Financial Solutions Consulting Limited

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities [set out on page 5], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Bankside Financial Solutions Consulting Limited

Independent Auditor's Report to the Members of Bankside Financial Solutions Consulting Limited

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the company.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the company and determined that the most significant laws and regulations which are directly relevant to specific assertions in the financial statements are those related to the financial reporting framework (Companies Act 2006, UK GAAP) and UK taxation legislation.
- We obtained an understanding of how the company complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Bankside Financial Solutions Consulting Limited

Independent Auditor's Report to the Members of Bankside Financial Solutions Consulting Limited

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Mr Andrew John Griggs (Senior Statutory Auditor)

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

1 General information

The company is a private company limited by share capital, incorporated in England and Wales.

The address of its registered office is:

60 Gresham Street

London

EC2V 7BB

These financial statements were authorised for issue by the Board on 26 November 2024.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The group and individual financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland and the Companies Act 2006'.

Basis of preparation

These consolidated and individual financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Summary of disclosure exemptions

The following exemptions available under FRS 102 have been taken in respect of Company only disclosures, as the consolidated financial statements contain equivalent disclosures:

- Certain disclosures about financial instruments;
- Disclosures of certain information regarding related party transactions between or with wholly-owned subsidiaries;
- A cash flow statement and related notes..

Basis of consolidation

The consolidated financial statements consolidate the financial statements of the company and its subsidiary undertakings drawn up to 31 August 2023.

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

A subsidiary is an entity controlled by the company. Control is achieved where the company has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

The results of subsidiaries acquired or disposed of during the year are included in the Profit and Loss Account from the effective date of acquisition or up to the effective date of disposal, as appropriate. Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with those used by the group.

The purchase method of accounting is used to account for business combinations that result in the acquisition of subsidiaries by the group. The cost of a business combination is measured as the fair value of the assets given, equity instruments issued and liabilities incurred or assumed at the date of exchange, plus costs directly attributable to the business combination. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Any excess of the cost of the business combination over the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities recognised is recorded as goodwill.

Inter-company transactions, balances and unrealised gains on transactions between the company and its subsidiaries, which are related parties, are eliminated in full.

Intra-group losses are also eliminated but may indicate an impairment that requires recognition in the consolidated financial statements.

Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interests in the net assets of consolidated subsidiaries are identified separately from the group's equity therein. Non-controlling interests consist of the amount of those interests at the date of the original business combination and the non-controlling shareholder's share of changes in equity since the date of the combination.

Going concern

The group and individual financial statements have been prepared on a going concern basis. The group meets its day-to-day working capital requirements through its parent company. The group's directors make profits available for distribution based on performance of the company and will reduce these payments if necessary to ensure the company can continue to trade for the foreseeable future. After making enquiries, the directors have a reasonable expectation that the company and its parent have adequate resources to continue its operations for the foreseeable future.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the group's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts and after eliminating sales within the group.

The group recognises revenue when:

The amount of revenue can be reliably measured;
it is probable that future economic benefits will flow to the entity;
and specific criteria have been met for each of the group's activities.

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

Foreign currency transactions and balances

Transactions in foreign currencies are initially recorded at the functional currency rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated into the respective functional currency of the entity at the rates prevailing on the reporting period date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rate on the date when the fair value is re-measured.

Non-monetary items measured in terms of historical cost in a foreign currency are not retranslated.

Tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the group operates and generates taxable income.

Business combinations

Business combinations are accounted for using the purchase method. The consideration for each acquisition is measured at the aggregate of the fair values at acquisition date of assets given, liabilities incurred or assumed, and equity instruments issued by the group in exchange for control of the acquired, plus any costs directly attributable to the business combination. When a business combination agreement provides for an adjustment to the cost of the combination contingent on future events, the group includes the estimated amount of that adjustment in the cost of the combination at the acquisition date if the adjustment is probable and can be measured reliably.

Investments

Investments in equity shares which are publicly traded or where the fair value can be measured reliably are initially measured at fair value, with changes in fair value recognised in profit or loss. Investments in equity shares which are not publicly traded and where fair value cannot be measured reliably are measured at cost less impairment.

Interest income on debt securities, where applicable, is recognised in income using the effective interest method. Dividends on equity securities are recognised in income when receivable.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the group will not be able to collect all amounts due according to the original terms of the receivables.

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the group does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the group has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

3 Turnover

The analysis of the group's turnover for the year from continuing operations is as follows:

	2023	2022
	£	£
Rendering of services	<u>17,011,413</u>	<u>10,734,887</u>

The analysis of the group's turnover for the year by class of business is as follows:

	2023	2022
	£	£
Provision of Consultancy services	<u>17,011,413</u>	<u>10,734,887</u>

The analysis of the group's turnover for the year by market is as follows:

	2023	2022
	£	£
UK	16,988,290	10,734,887
Rest of world	<u>23,123</u>	<u>-</u>
	<u>17,011,413</u>	<u>10,734,887</u>

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

4 Other interest receivable and similar income

	2023	2022
	£	£
Interest income on bank deposits	<u>23</u>	<u>30</u>

5 Interest payable and similar expenses

	2023	2022
	£	£
Foreign exchange gains	<u>2,129</u>	<u>-</u>

6 Staff costs

The aggregate payroll costs (including directors' remuneration) were as follows:

	2023	2022
	£	£
Wages and salaries	13,540,146	8,494,857
Social security costs	1,532,297	955,755
Other short-term employee benefits	44,085	20,381
Pension costs, defined contribution scheme	1,083,178	660,984
Other employee expense	<u>11,399</u>	<u>-</u>
	<u>16,211,105</u>	<u>10,131,977</u>

The average number of persons employed by the group (including directors) during the year, analysed by category was as follows:

	2023	2022
	No.	No.
Other departments	<u>86</u>	<u>56</u>
	<u>86</u>	<u>56</u>

7 Directors' remuneration

The directors' remuneration for the year was as follows:

	2023	2022
	£	£
Remuneration	2,152,229	1,608,888
Contributions paid to money purchase schemes	<u>40,000</u>	<u>40,000</u>
	<u>2,192,229</u>	<u>1,648,888</u>

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

During the year the number of directors who were receiving benefits and share incentives was as follows:

	2023 No.	2022 No.
Accruing benefits under money purchase pension scheme	<u>1</u>	<u>1</u>

In respect of the highest paid director:

	2023 £	2022 £
Remuneration	227,783	195,204
Company contributions to money purchase pension schemes	<u>40,000</u>	<u>40,000</u>

8 Taxation

Tax charged/(credited) in the consolidated profit and loss account

	2023 £	2022 £
Current taxation		
UK corporation tax	<u>23,393</u>	<u>3,567</u>

The tax on profit before tax for the year is higher than the standard rate of corporation tax in the UK (2022 - the same as the standard rate of corporation tax in the UK) of 19% (2022 - 19%).

The differences are reconciled below:

	2023 £	2022 £
Profit before tax	<u>23,260</u>	<u>7,812</u>
Corporation tax at standard rate	4,628	1,484
Effect of expense not deductible in determining taxable profit (tax loss)	18,626	2,083
Effect of tax losses	<u>139</u>	<u>-</u>
Total tax charge	<u>23,393</u>	<u>3,567</u>

Deferred tax

Group

Deferred tax assets and liabilities

	Asset £	Liability £
2023		
Short term timing differences	<u>21,954</u>	<u>-</u>
	<u>21,954</u>	<u>-</u>

Bankside Financial Solutions Consulting Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

The net deferred tax liability expected to reverse in 2024 is £21,954. This relates to the reversal of timing differences between pension contributions recognised in the profit and loss account and the tax relief received when these pension contributions were paid after the end of the current period.

15 Related party transactions

Group

Key management personnel

The Group considers key management personnel, as defined under FRS 102 Para 33.6, to be the Company's Directors. During the year several external entities, two of which were controlled by a Group Director, were engaged by the Group to provide various management services including market and client development. The amounts owed by the Group to these entities and their respective transactions in the year are as follows:

2023

	Expenses in the year £	Payable at year end £
JOJR Ltd	885,221	178,000
Bearsmor Ltd	858,959	175,000
	<u>1,744,180</u>	<u>353,000</u>

2022

	Expenses in the year £	Payable at year end £
JOJR Ltd	829,681	-
Bearsmor Ltd	761,701	-
	<u>1,591,382</u>	<u>-</u>

Summary of transactions with subsidiaries

Transactions between the Company and its subsidiaries are on an arm's length basis and have been eliminated on consolidation. Further, the Company has taken the exemption available under FRS 102 Para 33.1, and has therefore not disclosed related party transactions to wholly owned subsidiaries.

16 Events after the reporting period

Change in control of the Company following the acquisition of the Group by Alpha Financial Markets Consulting UK Limited.

On 5 September 2024, the Company and its subsidiaries were acquired by Alpha Financial Markets Consulting UK Limited, which is a wholly owned indirect subsidiary of Actium Topco (UK) Limited, a company owned by certain funds managed by Bridgepoint Advisers Limited.
