Bankside Payroll Limited

Strategic Report for the Year Ended 31 August 2023

The directors present their strategic report for the year ended 31 August 2023.

Principal activity

The principal activity of the company is the provision of payroll-related services to its parent, Bankside Financial Solutions Consulting Limited.

Fair review of the business

The Company provides payroll-related services to its parent company, Bankside Financial Solutions Consulting Limited. The Company's revenue comes solely from its parent company and the Company accounts for income based on costs incurred on behalf of its parent company. No profit is earned by the Company and all costs are invoiced in the period they relate to.

The Company's costs come mostly from employment costs, including staff wages and related salary costs such as Employer's NI, the Apprenticeship Levy and employee pension costs.

Due to the substantial growth of its parent company, Bankside Payroll Limited's revenue for the year ended 31st August 2023 increased by 70.84% to £14,280,382.33 (£8,358,727.68 for the year ended 31st August 2022).

The total average number of employees in the year increased by 53.57% to 86 (56 for the year ended 31st August 2022).

The Company has a net asset position of £100 which comprises only its initial share capital. All costs are covered by its parent company, Bankside Financial Solutions Consulting Limited.

Principal risks and uncertainties

The Company's directors do not believe the Company is exposed to known risks. Uncertainties from the economic climate have slowed the Groups main client industry, asset manager trading, however it is believed that the Company's key clients will continue to invest in automation to gain efficiencies and reduce their operating costs. This will help to maintain the businesses success and drive continued growth for the Group.

Approved and authorised by the Board on 26 November 2024 and signed on its behalf by:

Director

.....
Mr Paul Cardosi
Director

Bankside Payroll Limited

Directors' Report for the Year Ended 31 August 2023

The directors present their report and the financial statements for the year ended 31 August 2023.

Directors of the company

The directors who held office during the year were as follows:

Mr Robert Surridge

Mr Paul Cardosi

The following directors were appointed after the year end:

Greg Alan Cook (appointed 5 September 2024)

John Campbell Paton (appointed 5 September 2024)

Christopher Peter Kroeger (appointed 5 September 2024)

Financial instruments

Objectives and policies

The Company is exposed to various risks in relation to financial instruments. The main types of risks are market risk and liquidity risk.

The Company's risk management is over seen by its board of directors, and focuses on actively securing the Company's short to medium-term cash flows by minimising exposure to volatile financial markets.

The Company does not actively engage in the trading of financial assets for speculative purposes.

The Company is exposed to market risks resulting from its operating activities and actively focuses on diversifying its operations by spreading its activities across many clients.

The Company has minimal exposure to currency risks and trades primarily in GBP.

Disclosure of information to the auditors

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditors are unaware.

Approved and authorised by the Board 26 November 2024 and signed on its behalf by:

Director

Bankside Payroll Limited

Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Bankside Payroll Limited

Independent Auditor's Report to the Members of Bankside Payroll Limited

Opinion

We have audited the financial statements of Bankside Payroll Limited (the 'company') for the year ended 31 August 2023, which comprise the Profit and Loss Account, Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 August 2023 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Bankside Payroll Limited

Independent Auditor's Report to the Members of Bankside Payroll Limited

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities [set out on page 4], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Bankside Payroll Limited

Independent Auditor's Report to the Members of Bankside Payroll Limited

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the company.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the company and determined that the most significant laws and regulations which are directly relevant to specific assertions in the financial statements are those related to the financial reporting framework (Companies Act 2006, UK GAAP) and UK taxation legislation.
- We obtained an understanding of how the company complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Bankside Payroll Limited

Independent Auditor's Report to the Members of Bankside Payroll Limited

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Bankside Payroll Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

1 General information

The company is a private company limited by share capital, incorporated in England and Wales.

The address of its registered office is:

60 Gresham Street

London

EC2V 7BB

These financial statements were authorised for issue by the Board on 26 November 2024

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland and the Companies Act 2006'.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Summary of disclosure exemptions

As the consolidated financial statements of Bankside Financial Solutions Consulting Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- Certain disclosures about financial instruments;
- Disclosures of certain information regarding related party transactions between or with wholly-owned subsidiaries;
- A cash flow statement and related notes..

Name of parent of group

These financial statements are consolidated in the financial statements of Bankside Financial Solutions Consulting Limited.

The financial statements of Bankside Financial Solutions Consulting Limited may be obtained from Companies House .

Going concern

The financial statements have been prepared on a going concern basis. The company meets its day-to-day working capital requirements through its parent company. The group's directors make profits available for distribution based on performance of the company and will reduce these payments if necessary to ensure the company can continue to trade for the foreseeable future. After making enquiries, the directors have a reasonable expectation that the company and its parent have adequate resources to continue its operations for the foreseeable future.

Bankside Payroll Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Prior period errors

The accounts for the prior period have been restated to incorporate the impact of accrued income increasing due a misclassification of legal costs as a payment against outstanding defined contribution pension costs being recharged to the company's parent company. These changes have resulted in the loss of £646 decreasing to £0 as at 31st August 2022.

	Relating to the current period disclosed in these financial statements £	Relating to the prior period disclosed in these financial statements £	Relating to periods before the prior period disclosed in these financial statements £
Increase in turnover - sales	-	(646)	-
Increase in debtors - accrued income	-	646	-

Tax

The tax expense for the period comprises current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

Current or deferred taxation assets and liabilities are not discounted.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised on all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Bankside Payroll Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Bankside Payroll Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

3 Turnover

The analysis of the company's revenue for the year from continuing operations is as follows:

	2023 £	(As restated) 2022 £
Rendering of services	<u>14,280,382</u>	<u>8,359,374</u>

All revenue in the current and prior period was generated in the UK.

4 Other interest receivable and similar income

	2023 £	2022 £
Interest income on bank deposits	<u>23</u>	<u>23</u>

5 Staff costs

The aggregate payroll costs (including directors' remuneration) were as follows:

	2023 £	(As restated) 2022 £
Wages and salaries	11,659,868	6,760,506
Social security costs	1,520,560	904,649
Pension costs, defined contribution scheme	1,044,723	673,891
Other employee expense	<u>54,684</u>	<u>18,768</u>
	<u>14,279,835</u>	<u>8,357,814</u>

The average number of persons employed by the company (including directors) during the year, analysed by category was as follows:

	2023 No.	2022 No.
Other departments	<u>86</u>	<u>56</u>
	<u>86</u>	<u>56</u>

6 Directors' remuneration

The directors' remuneration for the year was as follows:

Bankside Payroll Limited

Notes to the Financial Statements for the Year Ended 31 August 2023

	2023 £	(As restated) 2022 £
Remuneration	426,399	195,204
Contributions paid to money purchase schemes	40,000	40,000
	<u>466,399</u>	<u>235,204</u>

In respect of the highest paid director:

	2023 £	2022 £
Remuneration	227,783	195,204
Company contributions to money purchase pension schemes	40,000	40,000

7 Taxation

Tax charged/(credited) in the income statement

2023 £	2022 £
-----------	-----------

The tax on profit before tax for the year is the same as the standard rate of corporation tax in the UK (2022 - the same as the standard rate of corporation tax in the UK) of 19% (2022 - 19%).

The differences are reconciled below:

	2023 £	2022 £
Profit/(loss) before tax	-	-
Corporation tax at standard rate	21,954	-
Tax increase (decrease) from other short-term timing differences	(21,954)	-
Total tax charge/(credit)	<u>-</u>	<u>-</u>

Deferred tax

Deferred tax assets and liabilities

	Asset £	Liability £
2023		
Deferred tax assets and liabilities	21,954	-
	<u>21,954</u>	<u>-</u>

The net deferred tax liability expected to reverse in 2024 is £21,954.42. This relates to the reversal of timing differences between pension contributions recognised in the profit and loss account and the tax relief received when these pension contributions were paid after the end of the current period.

Bankside Payroll Limited
