- (b) A Director is authorised to have an interest which constitutes an Inherent Conflict.

 - (i) if the Relevant Situation arises from the appointment or proposed appointment of a person as a Director of the Company:
 - (A) the Directors (other than the Director, and any other Director with a similar interest, who shall not be counted in the quorum at the meeting and shall not vote on the resolution), with Investor Consent; or

- (g) Any authorisation of a Relevant Situation given by the Directors (with Investor Consent) or the Shareholders under paragraph (a) above may provide that, where the interested Director obtains (other than through the Director's position as a Director of the Company) information that is confidential to a third party, the Director will not be obliged to disclose it to the Company or to use it in relation to the Company's affairs in circumstances where to do so would amount to a breach of that confidence.
- (h)
 - (i) If the Directors (with Investor Consent) make an authorisation under paragraph (a) above, impose or vary the terms of an authorisation under paragraph (c) above, or withdraw an authorisation under paragraph (d) above, they shall, as soon as reasonably practicable, notify the Shareholders of this fact and provide, where applicable, any relevant particulars regarding the authorisation or its terms.

- (e) The parties acknowledge that:
 - (i) any Leaver's Securities transferred to an A Shareholder, B Shareholder, Priority Shareholder or member of the Investors' Group in accordance with these Articles may be subsequently transferred, provided such further transfer is permitted pursuant to these Articles; and
 - (ii) if so determined by the Board (or any committee to which the Board delegates responsibility for such purposes) (with Investor Consent), a person to whom Leaver's Securities are transferred in accordance with these Articles may be required to pay a higher price for those Leaver's Securities than the relevant Leaver Price, in which event the difference between such price and the relevant Leaver Price shall be paid by the transferee of the Leaver's Securities to the Company.

- (f) If the Investors or the Board (or any committee to which the Board delegates responsibility for such purposes) become aware of facts, matters or circumstances in respect of a Leaver (other than any Minority Co-Investor Leaver) who was previously treated as a Good Leaver or a Bad Leaver which would, had they been known to the Investors or any Group Company and applied at relevant time, enabled that person to be treated as a Very Bad Leaver, then the Board (or any committee to which the Board delegates responsibility for such purposes) (with Investor Consent) may resolve that such Leaver be re-designated as a Very Bad Leaver. If the Board (or any committee to which the Board delegates responsibility for such purposes) (with Investor Consent) so resolves, the relevant Leaver Price determined in accordance with paragraph (c) above (the Original Price) shall be adjusted to reduce that Leaver Price to the relevant Very Bad Leaver Price, calculated as at the date of transfer of the Leaver's Securities (unless the Leaver and the Board (or any committee to which the Board delegates responsibility for such purposes) (with Investor Consent) agree some other price) (the Adjusted Price) and if the Adjusted Price is lower than the Original Price, the Leaver shall repay the difference to the Company or to Midco 1 (as applicable).
- (g) If at any time on or after a Leaver's Termination Date such Leaver retains any Leaver's Securities (the Retained Securities), unless otherwise determined by the Board (or any committee to which the Board delegates responsibility for such purposes) (with Investor Consent):
- (i) if the Leaver is a Good Leaver or a Minority Co-Investor Leaver, the Priority Amount or interest (as applicable) in respect of such Leaver's Retained Securities shall continue to accrue at the same rate as immediately prior to such Leaver's Termination Date;
 - (ii) if the Leaver is a Bad Leaver, the Priority Amount or interest (as applicable) in respect of such Leaver's Retained Securities shall, with automatic effect from the Leaver's Termination Date, be reduced to the Adjusted Priority Amount or Adjusted Loan Note Coupon (as applicable) and any Priority Amount or interest thereon shall be recalculated (including in respect of any compounding amount or interest) as if the Priority Amount or interest (as applicable) on such Leaver's Retained Securities had been accruing at the Adjusted Priority Amount or Adjusted Loan Note Coupon (as applicable) from the date of issue of such Leaver's Retained Securities;
 - (iii) if the Leaver is a Very Bad Leaver, the Priority Amount or interest (as applicable) in respect of such Leaver's Retained Securities shall, with automatic effect from the Leaver's Termination Date, cease to accrue (and shall be deemed to have ceased to accrue) any Priority Amount or interest (as applicable), and any Priority Amount or interest accrued from the date of issue of such Retained Securities shall be deemed waived, written off, deferred or otherwise forfeited as directed by the Investors (and the parties shall (if so directed by the Investors) take any necessary steps to effect the same); and
 - (iv) to the extent that any accrued interest or Priority Amount (as applicable) in respect of the Retained Securities had previously been paid in cash to the Leaver, such amounts shall become automatically repayable by the Leaver to the Company or to Midco 1 (as applicable).
- (h) Where the Board (or any committee to which the Board may delegate such responsibility), acting with Investor Consent, notifies a Minority Co-Investor Leaver of its determination of the B Share Price applicable to a Minority Co-Investor Leaver's Securities in accordance with Article 56(c) in writing (Notice of Price), and the Minority Co-Investor Leaver disputes such Notice of Price by serving written notice on the Board within 10 Business Days following the service of that Notice of Price, the Fair Price in respect of the relevant Minority Co-Investor Leaver's B Shares (for the purpose of determining their corresponding B Share Price) shall be determined by the Independent Expert as follows:
- (i) the Board (or any committee to which the Board may delegate such responsibility), acting with Investor Consent, shall promptly instruct the Independent Expert to determine the Fair

Price on the basis which, in their opinion, represents a fair price for such Minority Co-Investor Leaver's B Shares at the Termination Date as between a willing seller and a willing buyer and on a going concern basis (provided that this is the case) and, in making such determination, the Independent Expert shall take into account:

- (A) the rights and restrictions attached to such Shares in respect of income and capital;
- (B) the fact that the Shares are not quoted on any regulated investment exchange;
- (C) the group turnover, future and actual cash generation, current and future profitability and growth prospects of the Group;
- (D) any unencumbered and freely transferable cash balances and marketable securities owned by the Company and any other Group Company;
- (E) all borrowings, guarantees and any other actual or contingent liabilities of the Company and any other Group Company;
- (F) the value and existence of any minority interests in any Group Company; and
- (G) the market value of other companies of a similar size operating in similar markets to the Company (taking into account all other factors in this Article);

but shall take no account of:

- (H) whether the Minority Co-Investor Leaver's B Shares comprise a majority or minority interest in the Company; or
 - (I) the fact that the transferability of the Minority Co-Investor Leaver's B Shares is restricted in accordance with the Investment Deed and these Articles;
- (ii) the Independent Expert shall certify the Fair Price for the B Shares as soon as possible after being instructed by the Board (or any committee to which the Board may delegate such responsibility) and, in so certifying, the Independent Expert shall be deemed to be acting as expert and not as arbiter and the Arbitration Act 1996 shall not apply;
 - (iii) the certificate of the Independent Expert shall, in the absence of manifest error, be final and binding; and
 - (iv) the Board (or any committee to which the Board may delegate such responsibility) shall procure that any certificate required hereunder is obtained with due expedition and the cost of obtaining such certificate shall be borne by the Company unless (i) such an arrangement would not be permitted by law or (ii) where the Fair Price as determined by the Independent Expert is less than 110% of the price (if any) which the Board (or any committee to which the Board delegates responsibility) had previously notified to the Leaver pursuant to the Notice of Price as being in its opinion the Fair Price for the B Shares (for the purpose of determining their corresponding B Share Price) (or, if the price which the Board (or any committee to which the Board may delegate such responsibility) had previously notified pursuant to the Notice of Price was zero, the Fair Price as determined by the Independent Expert is less than 10% of the price at which the relevant B Share was issued, being the aggregate of the amount paid up or credited as paid up in respect of the nominal value thereof and any share premium thereon of such B Share), in which event the cost shall be borne by the Minority Co-Investor Leaver and deducted from the consideration payable to such Minority Co-Investor Leaver for the B Shares being transferred pursuant to this Article.

Except as otherwise provided in the Treasury Regulations, a transferee of all or a portion of a Shareholder's interest in the Company shall succeed to the Capital Account of the transferor Shareholder to the extent allocable to the transferred interest;
- (iv) for United States federal income tax purposes, allocations of items of income, gain, loss, deduction, expense, and credit for each fiscal year of the Company shall be in accordance with each Shareholder's interest in the Company, as reasonably determined by the Partnership Representative in good faith pursuant to Section 704(b) of the Code, and the Treasury Regulations and subject to the requirements of Section 704(c) of the Code and the Treasury Regulations; provided that the Priority Amount payable in respect of the Priority Shares shall be treated as distributive shares of Company income (determined on a net income rather than gross income basis) under applicable provisions of the Code and the Treasury Regulations and no portion of the Priority Amount payable in respect of the Priority Shares will be treated as a guaranteed payment, capital shift or any similar construct unless otherwise required by a final "determination" (within the meaning of Section 1313(a) of the Code) or a change in applicable law after the Adoption Date; and
- (v) any amounts that are subject to United States withholding may be withheld by the Company and remitted to the relevant tax authorities which shall be treated as a distribution from the Company to the party on which such withholding obligation was imposed. The Partnership Representative will use its reasonable discretion to determine whether a withholding is necessary and provide each party an opportunity to provide documentation to reduce or eliminate any withholding.
