Bridgepoint Europe VII GP LLP

Members' Report and Statement of the Members' Responsibilities

The Designated Members present their Members' report and the audited financial statements (the "financial statements") for the year ended 31 December 2025.

Principal activity

Bridgepoint Europe VII GP LLP (the "Partnership") is a UK Limited Liability Partnership that was incorporated on 6 July 2021. The Partnership acts as a General Partner to the Bridgepoint Europe VII fund limited partnerships and co-investment limited partnerships (the "Limited Partnerships").

Results and distributions

The results for the financial year are shown on page 6.

No distribution was proposed by the Members in respect of the financial year ended 31 December 2025 (2024: nil).

Future developments

The Members do not anticipate any significant change in the business of the Partnership.

Members

The Members and Designated Members of the Partnership at 31 December 2025 who were in office during the financial period and up to the date of signing the financial statements were:

	Capital Contribution	Date of Appointment
Bridgepoint Europe (SGP) Ltd	€99.90	6/7/2021
Bridgepoint Europe VII GP 2 Limited	€0.10	6/7/2021

Members' capital

Under the terms of the Members' Agreement no Members are entitled to interest on their share of capital. Members' capital is repayable upon leaving the Partnership.

Members' profits and losses

Profits of the Partnership for each accounting period shall be allocated to the Members in a manner which is consistent with their entitlement to distribution of profits. Profits in any accounting period shall be distributed, if approved by Bridgepoint Europe (SGP) Ltd, on an annual basis to the Members in such proportion as may be determined by the Remuneration Adjudicator (Bridgepoint Group Holdings Limited). Amounts allocated to one or more Members and available for distribution shall be distributed as soon as reasonably practicable.

Bridgepoint Europe VII GP LLP

Members' Report and Statement of the Members' Responsibilities (continued)

Statement of Members' responsibilities in respect of the financial statements

The Designated Members are responsible for preparing the Members' Report and the financial statements in accordance with applicable law and regulations.

Company law, as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 (the "Regulations"), requires the Designated Members to prepare financial statements for each financial year. Under these regulations the Members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards), comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law. Under these regulations, the Designated Members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Partnership and of the profit or loss of the Partnership for that period. In preparing the financial statements, the Members are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless they either intend to liquidate the Partnership or to cease operations, or have no realistic alternative but to do so.

The Designated Members are responsible for keeping adequate accounting records that are sufficient to show and explain the Partnership's transactions and disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006 as applied to limited liability partnerships by the Regulations. They are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to the auditor

The Designated Members have taken all the steps that they ought to have taken as Members in order to make themselves aware of any relevant audit information and to establish that the Partnership's auditor are aware of that information. As far as the Designated Members are aware, there is no relevant information of which the Partnership's auditor are unaware.

Appointment of auditor

At the Annual General Meeting of the ultimate parent held on 12 May 2026, KPMG LLP was appointed as auditor of the Partnership with effect from the conclusion of the current year audit by Forvis Mazars LLP.

Approved by the Designated Members and signed on their behalf on 17 June 2026 by:

P Koziarski

Bridgepoint Europe VII GP LLP

Independent auditor's report to the members of Bridgepoint Europe VII GP LLP

Opinion

We have audited the financial statements of Bridgepoint Europe VII GP LLP (the 'LLP') for the year ended 31 December 2025 which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes In Equity and notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the LLP's affairs as at 31 December 2025 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applied to limited liability partnerships.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the LLP in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the LLP's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the members with respect to going concern are described in the relevant sections of this report.

Other information

The members are responsible for the other information. The other information comprises the information included in the members' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Bridgepoint Europe VII GP LLP

Independent auditor's report to the members of Bridgepoint Europe VII GP LLP (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Members

As explained more fully in the statement of members' responsibilities set out on page 2, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the LLP and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: tax legislation and Companies Act 2006 as applied to limited liability partnerships.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of the members as to whether the LLP is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the LLP which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as the Companies Act 2006 as applied to limited liability partnerships.

In addition, we evaluated the members' incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to manipulating accounting

Bridgepoint Europe VII GP LLP

Independent auditor's report to the members of Bridgepoint Europe VII GP LLP (continued)

records and preparing fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, there is a risk of material misstatement due to fraud on all audits.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the members on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the LLP's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to limited liability partnerships. Our audit work has been undertaken so that we might state to the LLP's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's members as a body for our audit work, for this report, or for the opinions we have formed.

Bridgepoint Europe VII GP LLP

Notes to the Financial Statements for the year ended 31 December 2025

1. General information

The Partnership is incorporated in England and Wales under the Limited Liability Partnership Act 2000. The address of its registered office and principal place of business is 5 Marble Arch, London, United Kingdom, W1H 7EJ.

2. Statement of compliance

The financial statements of the Partnership are prepared in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" (LLP SORP) issued in December 2021.

Amendments to FRS 102 applicable to accounting periods beginning on or after 1 January 2026 have been issued. The Members do not expect the application of these amendments to have a material impact on the Partnership's financial statements.

3. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006, as applied to Limited Liability Partnerships. The financial statements have also been prepared in compliance with the LLP SORP.

(b) Going concern

The financial statements have been prepared on a going concern basis as the Designated Members have a reasonable expectation that the Partnership has adequate resources to continue its operational existence for a period of at least 12 months from the date of signing the annual report and financial statements having assessed the Partnership's business risks, financial position and resources.

Specifically, the Partnership has in place a long-term contract with the Limited Partnerships which gives it good visibility of income. The expenses incurred by the Partnership are predictable due to the nature of operations. Taken in combination, the Designated Members are therefore satisfied that the Partnership is a going concern.

(c) Exemption for qualifying entities under FRS 102

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of the exemptions by the Partnership's Members. The Partnership has taken advantage of the following exemptions:

Cash Flow Statement - The Partnership has taken advantage of the exemption, under FRS 102 paragraph 1.12 (b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Bridgepoint Group plc, includes the Partnership's cash flows in their own consolidated financial statements.

Related Party Transactions - The Partnership has taken advantage of the exemption, under FRS 102 paragraph 33.1A, from the requirement to disclose related party transactions within the Group on the grounds that 100% of the voting rights are controlled within the Group. Transactions with the BE VII fund and the shareholders of the Group are not exempt and are disclosed where applicable.

Bridgepoint Europe VII GP LLP

Notes to the Financial Statements for the year ended 31 December 2025 (continued)

3. Summary of significant accounting policies (continued)

(d) Revenue recognition

Turnover comprises Priority Profit Share ("PPS") from the Limited Partnerships. Turnover is recognised in the Profit and Loss account on an accruals basis.

(e) Expenses

Expenses relate to costs incurred by the Partnership in relation to the administration and business of the Partnership and are recognised on an accruals basis.

(f) Members' remuneration and capital

Members' rights to participate in the profits or losses, or assets of the Partnership are analyzed between those that give rise to:

(i) Members' remuneration

Non-discretionary amounts becoming due to Members in respect of participation rights in the profits of the Partnership for an accounting period that give rise to liabilities are presented as an expense within the Profit and Loss Account (within the heading Members' remuneration charged as an expense).

Amounts becoming due to Members in respect of equity participation rights, following a discretionary division of profits, are debited directly to equity in the accounting period in which the division occurs.

(ii) Members' capital

Initial capital contributions of each of the Members are amounts as set out in the Limited Liability Partnership Agreement ("LLPA"). The Members shall contribute, in accordance with their existing Capital Percentages, any further capital which the Members may determine is required for the purposes of the business.

No Member can withdraw or receive back any part of their principal capital contribution account except for in specific circumstances as detailed in the LLPA. Members' capital is therefore classified as equity.

(g) Debtors

Short term debtors are measured at the transaction price, less any impairment.

(h) Creditors

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value and are measured subsequently at amortised cost using the effective interest method except where repayable on demand.

Bridgepoint Europe VII GP LLP

Notes to the Financial Statements for the year ended 31 December 2025 (continued)

3. Summary of significant accounting policies (continued)

(i) Foreign currency transactions and balances

The Partnership's functional and presentational currency is the euro.

Foreign currency transactions are translated into the functional currency using the actual rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to euro using the closing rate at the year-end. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign currency gains and losses are recognised in the Profit and Loss Account.

4. Judgements in applying accounting policies and key sources of estimation uncertainty

In applying the Partnership's accounting policies, the Members may be required to make judgements, estimates and assumptions that could impact the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. The Members' judgements, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made, and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgements, estimates and assumptions, the actual results and outcomes may differ.

The judgments, estimates and assumptions are reviewed on an ongoing basis. The Members do not consider the financial statements to have any critical estimates or matters requiring significant judgement.

5. Operating Results

Audit fees for the year are £6,169 (€7,075) (2024: £6,200 (€7,130)) and are borne by a fellow subsidiary undertaking.

6. Employees

The Partnership did not employ any personnel during the year (2024: none).

7. Taxation

The Partnership, as a transparent entity is not subject to pay UK income tax. Where relevant for UK tax purposes each Member is required to report on its tax return its share of the income, gains, losses, deductions and credits of the Partnership. A Member is taxable on Partnership income or gains whether or not any distribution of money or property is made to the Member during its fiscal year. It is possible that a Member's income or tax liability related to transactions by the Partnership could exceed amounts distributed to the Member in a particular year.
