Bridgepoint Europe (SGP) Ltd

Strategic Report for the Year Ended 31 December 2023

The Directors present their strategic report for the year ended 31 December 2023.

Principal activity

The principal activity of the Bridgepoint Europe (SGP) Ltd (the "Company") is to act as a General Partner for a number of private equity limited partnerships (the "Partnerships").

Results

The profit for the financial year is £5.1m (2022: £6.3m) and at the year end the Company has net assets of £40.1m (2022: £28.6m).

Principal risks and uncertainties

The business is subject to risks associated with the performance of the Partnerships managed, the tax and regulatory regimes within which the Company's business operates and attracting and retaining the services of key investment professionals and operational risks.

Key performance indicators

The Company considers profit before tax as key performance indicators of the business. Given the straightforward nature of the business, the Directors are of the opinion that analysis using key performance indicators ("KPIs") is not necessary for an understanding of the development, performance, or position of the business.

Statement by the Directors in performance of their statutory duties in accordance with s172(1) Companies

The Directors of the Company, as those of all UK companies, must act in accordance with a set of general duties, which are detailed in Section 172 of the UK Companies Act 2006. Directors of a company must act in the way they consider, in good faith, would be most likely to promote the success of the Company for the benefit of its shareholders as a whole and, in doing so have regard (among other matters) to:

- the likely consequences of any decision in the long-term;
- the interest of the Company's employees;
- the need to foster the Company's relationships with suppliers, customers and others;
- the impact of the Company's operations on the community and environment;
- the desirability of the Company maintaining a reputation for high standards of business conduct; and
- the need to act fairly between shareholders of the Company.

The parent entity, Bridgepoint Group plc, has a Group Board (consisting of the Directors of Bridgepoint Group plc) which takes executive responsibility for the strategic direction of Bridgepoint Group plc and its controlled entities (the "Group") including the Company. It has executive responsibility for setting the Group's strategy and ensuring that the shared values and business objectives are upheld and met.

The Directors of the Company are involved in decisions that impact the Company as required under the Companies Act 2006. Such matters include making commitments to investments and subsidiary companies and decisions to pay dividends.

Bridgepoint Europe (SGP) Ltd

Strategic Report for the Year Ended 31 December 2023 (continued)

An explanation of how the Group Board has considered the matters set out in Section 172 (for the Group, including the Company) is set out in the annual report and accounts of Bridgepoint Group plc.

This includes details of the development, performance and position of the Group, as well as how the Group undertakes business conduct, employee and fund investor engagement, risk management and community engagement.

Directors' indemnity

During the year and at the time of signing, a Bridgepoint Group entity maintains liability insurance for Directors and Officers of Bridgepoint Group plc and associated companies, which includes the Company. This is a qualifying third party indemnity provision for the purpose of the Companies Act 2006.

Statement of Directors' responsibilities in Respect of the Financial Statements

The Directors acknowledge their responsibilities for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Report for the Year Ended 31 December 2023 (continued)

Disclosure of information to the auditor

Each Director at the time when the Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information needed by the Company's auditor in connection with preparing their report of which the Company's auditor is unaware; and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Reappointment of auditor

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and Forvis Mazars LLP will therefore continue in office.

Independent auditor's report to the members of Bridgepoint Europe (SGP) Ltd

Opinion

We have audited the financial statements of Bridgepoint Europe (SGP) Ltd (the 'company') for the year ended 31 December 2023 which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and notes to the financial statements, including summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2023 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Bridgepoint Europe (SGP) Ltd
Independent auditor's report to the members of Bridgepoint Europe (SGP) Ltd
(continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: the Companies Act 2006 and tax legislation.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;

Bridgepoint Europe (SGP) Ltd
Independent auditor's report to the members of Bridgepoint Europe (SGP) Ltd
(continued)

- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to manipulating accounting records and preparing fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, there is a risk of material misstatement due to fraud.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body for our audit work, for this report, or for the opinions we have formed.

Bridgepoint Europe (SGP) Ltd

Notes to the Financial Statements for the Year Ended 31 December 2023

1 General information

The Company is a private company limited by shares and domiciled in the United Kingdom. The country of incorporation is Scotland. The address of its registered office and principal place of business is 50 Lothian Road, Festival Square, Edinburgh, EH3 9WJ.

2 Statement of compliance

The individual financial statements of the Company have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland" ("FRS 102") and the Companies Act 2006.

3 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These financial statements have been prepared under the historical cost convention, as modified by certain financial assets and liabilities measured at fair value through profit or loss when it is required by FRS 102.

(b) Consolidation

Under section 400 of the Companies Act 2006, the Company is exempt from the requirement to prepare consolidated accounts as it is itself a subsidiary undertaking and it is a wholly-owned subsidiary of Bridgepoint Group plc, a company incorporated within the United Kingdom, which prepares consolidated accounts that include the Company and its subsidiaries.

(c) Going concern

The financial statements have been prepared on a going concern basis as the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for a period of at least 12 months from the date of signing of the annual report and financial statements having assessed the Company's business risks, financial position and resources.

Specifically, the Company has in place a long-term contract with the Limited Liability Partnership which gives it good visibility of income. The expenses incurred by the Company are predictable due to the nature of operations. Amounts payable under the management agreement with fellow Group companies are dependent and discretionary. Taken in combination, the Directors are therefore satisfied that the Company is a going concern.

(d) Exemption for qualifying entities under FRS 102

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of the exemptions by the Company's shareholders. The Company has taken advantage of the following exemptions:

Cash Flow Statement - The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12 (b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Bridgepoint Group plc, includes the Company's cash flows in their own consolidated financial statements.

Related Party Transactions - The Company has taken advantage of the exemption, under FRS 102 paragraph 33.1A, from the requirement to disclose related party transactions within the Group on the grounds that 100% of the voting rights are controlled within the Group. Transactions with the Bridgepoint funds and the shareholders of the Group are not exempt and are disclosed where applicable.

Bridgepoint Europe (SGP) Ltd

Notes to the Financial Statements for the Year Ended 31 December 2023 (continued)

3 Summary of significant accounting policies (continued)

(e) Income

The Company, as General Partner to the Limited Partnerships and Limited Liability Partnerships does not receive a fee, but participates in the profit or loss of the Partnerships, the Income from Partnerships. This income earned by the Company is recorded as revenue through the Profit and Loss Account and is billed in accordance with the Limited Partnership Agreements ("LPA") and Limited Liability Partnership Agreements ("LLPA").

(f) Management fees payable

Management fees payable are amounts paid to a fellow Group entity for advisory services received.

(g) Expenses

Expenses incurred have been recognised on an accruals basis.

(h) Taxation

Taxation expense for the period comprises of current and deferred tax recognised in the reporting period. Tax is recognised in the Profit and Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior year. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the period end.

Deferred tax arises from timing differences that are differences between taxable profits and total comprehensive income as stated in the financial statements. These timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is recognised on all timing differences at the reporting date except for certain exceptions.

Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Deferred tax assets and liabilities are not discounted.

(i) Debtors

Short term debtors are measured at the transaction price, less any impairment.

(j) Creditors

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value and are measured subsequently at amortised cost using the effective interest method except where repayable on demand.

Bridgepoint Europe (SGP) Ltd

Notes to the Financial Statements for the Year Ended 31 December 2023 (continued)

3 Summary of significant accounting policies (continued)

(k) Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Investments

Investments in subsidiary undertakings, that are not investment vehicles, are stated at cost less provision for any impairment. Provisions are only made where in the opinion of the directors there is an impairment in value.

(l) Foreign currency transactions and balances

These financial statements are presented in pound sterling, the Company's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the opening spot exchange rate for the month in which the transaction occurs as an approximation for the actual rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to pound sterling using the closing rate at the year-end. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign currency gains and losses are recognised in the Profit and Loss Account.

4 Judgements in applying accounting policies and key sources of estimation uncertainty

In applying the Company's accounting policies, the Directors may be required to make judgements, estimates and assumptions that could impact the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. The Directors' judgements, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made, and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgements, estimates and assumptions, the actual results and outcomes may differ.

The judgements, estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised, if the revision affects only that year, or the year of the revision and future years, if the revision affects both current and future years. The Directors do not consider the financial statements to have any critical estimates or matters requiring significant judgement.

5 Operating profit

Audit fees of £5,580 for the year (2022: £5,375) are borne by a fellow subsidiary undertaking.

Bridgepoint Europe (SGP) Ltd
