

Registration number: SC332267

Bridgepoint Europe (SGP) Ltd
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025

Bridgepoint Europe (SGP) Ltd

Strategic Report for the Year Ended 31 December 2025

The Directors present their strategic report for the year ended 31 December 2025.

Principal activity

The principal activity of Bridgepoint Europe (SGP) Ltd (the "Company") is to act as a General Partner to a number of Bridgepoint limited partnerships (the "Limited Partnerships") and Designated Member for a number of Bridgepoint limited liability partnerships (the "Limited Liability Partnerships") (together the "Partnerships"). There have not been any significant changes in the Company's principal activities during the year under review.

The Company forms part of the Bridgepoint group of companies (together, the "Group" or the "Bridgepoint Group").

Results

The loss for the financial year is £0.2m (2024: profit of £26.7m) and at the year end the Company has net assets of £66.5m (2024: £66.8m).

Principal risks and uncertainties

The Company's main income is generated from profit sharing of the Limited Liability Partnerships. The business is subject to risks associated with the performance of the funds managed by the Group and also the tax and regulatory regimes within which its business operate.

Fundraising risk

The alternative investment management sector is intensely competitive, with the Group competing with a number of others for investor capital, including sponsors of public and private investment funds. Fundraising markets remained competitive during 2025, with a high volume of managers returning to market and extended fundraising timetables across private markets. Investor allocation cycles have also lengthened, with increased diligence around performance, fee structures, and alignment.

The inability to raise additional or successor funds (or raise successor funds of a comparable size to predecessor funds), or a change in the terms on which investors are willing to invest, could have a material adverse impact on the Company's business, revenue, net income, cash flows or the ability to retain employees.

The Group's capital raising efforts are supported by an in-house global investor services team, which utilises the Group's data and technology capabilities.

As a leading middle market alternative asset manager, the Group offers investors a differentiated approach arising from its global reach and ability to deploy capital across middle market strategies. This differentiation insulates the Group, to some extent, against the competitive pressures arising in respect of attracting fund investors.

Regulatory risk

The international nature of the Group's business, with corporate and fund entities located in multiple jurisdictions and a diverse investor base, makes it subject to a wide range of laws and regulations. It is supervised by a number of regulators, including the Financial Conduct Authority in the UK. Failure to comply with applicable law and regulations may put the Group at risk of fines, lawsuits or reputational damage. The Group has a dedicated Legal and Compliance function that provides guidance to the business on its regulatory and legal obligations. The Group monitors regulatory and legislative changes in the jurisdictions in which it operates and interacts with regulators and industry bodies to stay informed of regulatory changes. It also proactively takes actions to comply with any changes in law or regulation.

Employees of the Group are provided with periodic training on the laws and regulations relevant to the Group.

Market and economic risk

Macroeconomic events may contribute to volatility in financial and global markets which can adversely impact the Group's business by reducing the value or performance of the investments made by the funds managed or advised by the Group as well as the availability of financial resources to the Group. Adverse economic scenarios may reduce exit opportunities, prolong holding periods, and impact the performance of funds across the platform. Market conditions may also influence investor appetite for private market strategies, indirectly affecting fundraising performance. For example, rising interest rates may adversely impact multiples and discount rates used for investment valuations. Higher interest rates may also reduce the Group's ability to secure favourable financing, both for the Group itself and for the funds it manages or advises.

The Group's senior management and strategy leadership regularly update the business on economic trends and outlooks to aid investment teams and corporate functions in anticipating and proactively addressing macroeconomic risks.

Bridgepoint Europe (SGP) Ltd
Strategic Report for the Year Ended 31 December 2025

Loss of key personnel

The Company relies on the expertise and knowledge of investment executives of the Group. Unexpected loss of one or more key employees could adversely affect the Company's business. The Group places an emphasis on active engagement with its people to better understand their needs, and to focus on progression and professional development. The Group also has competitive incentive schemes designed to attract and retain its people and is committed to providing competitive remuneration packages.

Technology risk

Cybersecurity threats remain a significant risk for all global financial and investment institutions. Cybersecurity incidents and cyber attacks continue to be a feature of the global economy and as an increasingly global business, the Group faces various cybersecurity threats on a regular basis. Cybersecurity failures, technology failures or data security breaches could result in the confidentiality, integrity or availability of data being negatively affected, causing disruption and/or damage to the Group's business. The Group has in place an internal vulnerability management programme, as well as critical asset processes to patch critical vulnerabilities. Phishing testing is performed at least quarterly, and penetration testing is undertaken annually. The Group has a disaster recovery plan in place, and all key systems are hosted in the cloud, providing an inherent level of resilience.

Financial risks

Credit and liquidity risk

Credit risk is the risk of financial loss to the Company as a result of a counterparty failing to meet its contractual obligations. This risk is principally in connection with the Company's trade and other receivables from the shareholders, receivables from funds, and other Group entities. The Directors consider the Company's credit exposure to trade and other receivables to be low. The Company's credit exposure to the Group entities is linked to the liquidity risk of the Group.

Key performance indicators

The Company considers income from the Limited Liability Partnerships and profit before tax as the key performance indicators of the business. Given the straightforward nature of the business, the Directors are of the opinion that analysis using key performance indicators ("KPIs") is not necessary for an understanding of the development, performance, or position of the business.

Bridgepoint Europe (SGP) Ltd

Strategic Report for the Year Ended 31 December 2025

Statement by the Directors in performance of their statutory duties in accordance with s172(1) Companies Act 2006

The Directors of the Company, as those of all UK companies, must act in accordance with a set of general duties, which are detailed in Section 172 of the UK Companies Act 2006.

A director of a company must act in the way they consider, in good faith, would be most likely to promote the success of the company for the benefit of its shareholders as a whole and, in doing so have regard (among other matters) to:

- the likely consequences of any decision in the long-term;
- the interest of the company's employees;
- the need to foster the company's relationships with suppliers, customers and others;
- the impact of the company's operations on the community and environment;
- the desirability of the company maintaining a reputation for high standards of business conduct; and
- the need to act fairly as between shareholders of the company.

The ultimate parent entity, Bridgepoint Group plc, has a Group Board (consisting of the Directors of Bridgepoint Group plc) which takes executive responsibility for the strategic direction of Bridgepoint Group plc and its controlled entities including the Company. It has executive responsibility for setting the Group's strategy and ensuring that the shared values and business objectives are upheld and met.

The Directors of the Company are involved in decisions that impact the Company as required under the Companies Act 2006. Such matters include making a decision to pay a dividend.

An explanation of how the Group Board has considered the matters of Section 172 (for the Group, including the Company) is set out in the annual report and accounts of Bridgepoint Group plc. This includes details of the development, performance and position of the Group, as well as how the Group undertakes business conduct, employee and fund investor engagement, risk management and community engagement.

Approved by the Board on 21 August 2026 and signed on its behalf by:

Bridgepoint Europe (SGP) Ltd

Directors' Report for the Year Ended 31 December 2025

The Directors present their annual report together with the audited financial statements (the "financial statements") of the Company for the year ended 31 December 2025.

Results and dividends

The results for the financial year are shown on page 9.

No dividend was proposed by the Directors in respect of the year ended 31 December 2025 (2024: nil).

Future developments

The Directors do not anticipate any significant change in the business of the Company.

Directors of the Company

The Directors who held office during the year and up to the date of this report were as follows:

J R Hughes (resigned 1 June 2026)

P Koziarski

B J Marten (appointed 1 June 2026)

D S Plant (resigned 1 June 2026)

X J Robert

R C Thompson

E G Woods (appointed 2 June 2026)

Directors' indemnity

During the period and at the time of signing, a Bridgepoint Group entity maintains liability insurance for Directors and Officers of Bridgepoint Group plc and associated companies, which includes the Company. This is a qualifying third party indemnity provision for the purpose of the Companies Act 2006.

Statement of Directors' Responsibilities

The Directors acknowledge their responsibilities for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards), comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of engagement with suppliers, customers and others in a business relationship with the Company

From the perspective of the Directors of the Company, as a result of the Group governance structure, the Group Board has primary responsibility for carrying out the duties of the Company in respect of its shareholders, employees, fund investors and community engagement. An explanation of how the Group Board has carried out these responsibilities (for the Group and for the Company) is set out in the annual report and results of Bridgepoint Group plc.

Bridgepoint Europe (SGP) Ltd
Directors' Report for the Year Ended 31 December 2025

Post balance sheet events

There have been no material events after the reporting period that would require adjusting or disclosing within these accounts.

Disclosure of information to the auditor

Each Director at the time when the Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information needed by the Company's auditor in connection with preparing their report of which the Company's auditor is unaware; and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Appointment of auditor

At the Annual General Meeting of the ultimate parent company held on 12 May 2026, KPMG LLP was appointed as auditor of the Company with effect from the conclusion of the current year audit by Forvis Mazars LLP.

Approved by the Board on 21 August 2026 and signed on its behalf by:

Director

Bridgepoint Europe (SGP) Ltd
Independent auditor's report to the members of Bridgepoint Europe (SGP) Ltd

Opinion

We have audited the financial statements of Bridgepoint Europe (SGP) Ltd (the 'company') for the year ended 31 December 2025 which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2025 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Bridgepoint Europe (SGP) Ltd
Independent auditor's report to the members of Bridgepoint Europe (SGP) Ltd (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the statement of directors' responsibilities set out on pages 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: tax legislation and the Companies Act 2006.

Bridgepoint Europe (SGP) Ltd
Independent auditor's report to the members of Bridgepoint Europe (SGP) Ltd (continued)

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to manipulating accounting records and preparing fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, there is a risk of material misstatement due to fraud on all audits.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body for our audit work, for this report, or for the opinions we have formed.

Bridgepoint Europe (SGP) Ltd

Statement of Changes in Equity for the Year Ended 31 December 2025

1 General information

The Company is a private company limited by shares and domiciled in the United Kingdom. The Company of incorporation is Scotland. The address of its registered office and principal place of business is 50 Lothian Road, Festival Square, Edinburgh, EH3 9WJ, Scotland, United Kingdom.

2 Statement of compliance

The individual financial statements of the Company have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland" ("FRS 102") and the Companies Act 2006.

The Financial Reporting Council (FRC) issued Amendments to FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland and other FRSs – Periodic Review 2024, with a principal effective date for accounting periods beginning on or after 1 January 2026. The amendments introduce a number of changes to the recognition, measurement, presentation and disclosure requirements of FRS 102, including revised requirements in relation to revenue recognition and lease accounting.

The Company is currently assessing the impact of these amendments on its financial statements. Based on the assessment performed to date, the Directors do not expect any material impact from the revised requirements. The Company will apply the amendments from the date they become effective.

At the date of approval of these financial statements, the full financial effect of first-time application has not yet been quantified. The Company will provide the disclosures required by FRS 102 in the period in which the amended requirements are first applied.

3 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These financial statements have been prepared under the historical cost convention, as modified by certain financial assets and liabilities measured at fair value through profit or loss, when it is required by FRS 102.

(b) Consolidation

Under section 400 of the Companies Act 2006, the Company is exempt from the requirement to prepare consolidated accounts as it is itself a subsidiary undertaking and it is a wholly-owned subsidiary of Bridgepoint Group plc, a company incorporated within the United Kingdom, which prepares consolidated accounts that include the Company and its subsidiaries.

(c) Going concern

The financial statements have been prepared on a going concern basis as the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for a period of at least 12 months from the date of signing of the annual report and financial statements having assessed the Company's business risks, financial position and resources.

Specifically, the Company has in place a long-term contract with the Partnerships which gives it good visibility of income. The expenses incurred by the Company are predictable due to the nature of operations. Taken in combination the Directors are therefore satisfied that the Company is a going concern.

(d) Exemption under Financial Reporting Standards

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of the exemptions by the Company's shareholders. The Company has taken advantage of the following exemptions:

Cash Flow Statement - The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12 (b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Bridgepoint Group plc, includes the Company's cash flows in their own consolidated financial statements.

The notes on pages 13 to 18 form an integral part of these financial statements.

Bridgepoint Europe (SGP) Ltd

Notes to the Financial Statements for the Year Ended 31 December 2025

3 Summary of significant accounting policies (continued)

(d) Exemption under Financial Reporting Standards (continued)

Related Party Transactions - The Company has taken advantage of the exemption, under FRS 102 paragraph 33.1A, from the requirement to disclose related party transactions within the Bridgepoint Group on the grounds that 100% of the voting rights are controlled within the Group. Transactions with the Bridgepoint Group funds and the shareholders of the Bridgepoint Group are not exempt and are disclosed where applicable.

(e) Income

The Company, as General Partner to the Limited Partnerships and Member of the Limited Liability Partnerships does not receive a fee, but participates in the profit or loss of the Partnerships, the income from the Partnerships. This income earned by the Company is recorded as revenue through Profit and Loss Account and is recognised in accordance with the Limited Partnership Agreements ("LPA") and Limited Liability Partnership Agreements ("LLPA")

(f) Expenses

Expenses incurred have been recognised on an accruals basis.

(g) Management fees expense

Management fees expense are recognised in accordance with the management deed.

(h) Taxation

Taxation expense for the period comprises current and deferred tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior year. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the period end.

Deferred tax arises from timing differences that are differences between taxable profits and total comprehensive income as stated in the financial statements. These timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is recognised on all timing differences at the reporting date except for certain exceptions.

Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Deferred taxation assets and liabilities are not discounted.

(i) Debtors

Short term debtors are measured at the transaction price, less any impairment.

(j) Creditors

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, and are measured subsequently at amortised cost using the effective interest method, except where repayable on demand.

(k) Financial instruments

Financial assets

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Investments

Investments in subsidiary undertakings, that are not investment vehicles, are stated at cost less provision for any impairment. Provisions are only made where in the opinion of the Directors there is an impairment in value.

Bridgepoint Europe (SGP) Ltd

Notes to the Financial Statements for the Year Ended 31 December 2025

3 Summary of significant accounting policies (continued)

(l) Foreign currency transactions and balances

The Company's functional and presentation currency is the pound sterling. These financial statements are presented in pound sterling and rounded to thousands.

Foreign currency transactions are translated into the functional currency using the actual rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to pound sterling using the closing rate at the year-end. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign currency gains and losses are recognised in the Profit and Loss Account.

4 Judgements in applying accounting policies and key sources of estimation uncertainty

In applying the Company's accounting policies, the Directors may be required to make judgements, estimates and assumptions that could impact the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. The Directors' judgements, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made, and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgements, estimates and assumptions, the actual results and outcomes may differ.

The judgements, estimates and assumptions are reviewed on an ongoing basis. The Directors do not consider the financial statements to have any critical estimates or matters requiring significant judgement.

5 Operating profit
